My name is Sandy O'Neal. I am the current President of Escambia River Gun Club (ERGC) Board of Directors and I am seeking re-election.

I joined ERGC in February 2011. In May of 2012 I volunteered to take over the Range Master position after the individual holding that position was unable to complete his term in office. I continued as Range Master until July of 2014.

During my tenure as Range Master, I brought the idea to the table for what is now our office and bathrooms. I was also successful in getting Board support to implement credit card usage at the range. Additionally, I suggested that we have a target stand rental program which has generated additional income for the club.

I began my tenure as President of ERGC in May of 2015. During my tenure, the club has seen growth and positive change. Some of the highlights of those accomplishments are:

- 1) Membership has continued to grow and is at an all-time high
- 2) Range 1 was completely demolished and re-built
- 3) The Club held its' first ever Expo in April of last year
- 4) A Long Range Planning Committee (LRPC) was assembled
- 5) The LRPC conducted a survey of the membership to determine what the membership wants to see toward range improvements
- 6) Range 5 is currently being demolished and re-built
- 7) Conversion of the club from C7 tax status to a C4 tax status
- 8) Pursuing the addition of Steel Matches to the discipline shooting at ERGC

If I am re-elected, my goals for the coming year include:

- 1) Pursue the purchase of the land just north of the range to allow for growth of the club
- 2) Have the website upgraded
- 3) Implement online membership processing/payment
- 4) Implement a membership management software program which will allow us to attract new members, and better manage and communicate with existing members

I would appreciate your vote!
