

2018 Board of Directors Election

Position: Registered Agent

Candidate: Phil Kraemer

Qualifications: Current Registered Agent. Joined ERML (back before we changed the name to ERGC) within a week of moving to Pensacola 12 years ago and have remained an active member since that time. My commitment to keeping the club as an open, family friendly place led me to run for the board in the first place last year as disturbing changes had been taking place.

My current occupation is as a General Adjuster specialized in commercial and specialty claims in 40 US states as well as Belize and Canada.
